Nothin' But Trouble

Charlie Hunter

For the love of a woman, well, many a man
Has wound up cryin', tryin' to understand
I've had my share of heartache and pain
I'm not worried now, I'm not ashamed
My first time lover I was just seventeen
We made love and I was lost in a dream
She said that nothin' would ever go wrong
I woke up one mornin' guess what? She was gone
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
So many nights I spent alone
Just me and that damn telephone
Holdin' for love but waiting in vain
The same old feelin' and it's drivin' me insane
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
For the love of a woman, I searched high and low

Hopin' that someday I'd be troubled no more
I guess I was wrong in so many ways
Now I'll be in trouble for the rest of my days
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble, trouble
Nothin' but trouble, nothin' but trouble
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble, yeah
Ah ah ah ah ah ah ah

Love ain't nothin' but trouble
Ah ah ah ah ah ah ah
Love ain't nothin' but trouble
