

# Nothin' But Trouble

Charlie Hunter

For the love of a woman, well, many a man  
Has wound up cryin', tryin' to understand  
I've had my share of heartache and pain  
I'm not worried now, I'm not ashamed  
My first time lover I was just seventeen  
We made love and I was lost in a dream  
She said that nothin' would ever go wrong  
I woke up one mornin' guess what? She was gone  
Ah ah ah ah ah ah ah  
Love ain't nothin' but trouble  
Ah ah ah ah ah ah ah  
Love ain't nothin' but trouble  
So many nights I spent alone  
Just me and that damn telephone  
Holdin' for love but waiting in vain  
The same old feelin' and it's drivin' me insane  
Ah ah ah ah ah ah ah  
Love ain't nothin' but trouble  
Ah ah ah ah ah ah ah  
Love ain't nothin' but trouble  
For the love of a woman, I searched high and low

Hopin' that someday I'd be troubled no more  
I guess I was wrong in so many ways  
Now I'll be in trouble for the rest of my days  
Ah ah ah ah ah ah ah  
Love ain't nothin' but trouble  
Ah ah ah ah ah ah ah  
Love ain't nothin' but trouble  
Ah ah ah ah ah ah ah  
Love ain't nothin' but trouble  
Ah ah ah ah ah ah ah  
Love ain't nothin' but trouble, trouble  
Nothin' but trouble, nothin' but trouble  
Ah ah ah ah ah ah ah  
Love ain't nothin' but trouble  
Ah ah ah ah ah ah ah  
Love ain't nothin' but trouble, yeah  
Ah ah ah ah ah ah ah

Love ain't nothin' but trouble

Ah ah ah ah ah ah ah

Love ain't nothin' but trouble
