Love's About To Change My Mind

Jon Secada

I'm in love with you baby
Yeah
One touch, I feel the hungerWhat is this spell I'm wonder
My head's in my heart
I should walk away
But I wanna stay
My feelings are closely guarded
No risk, no broken heart and
No way this emotion
Can sweep me away
Then I see your face
My weakness is growing stronger
Thought I could hold out longer
Love's about to change to my mind
Make me blind
And dive into the deep and
Love's about to change to my mind
I see the signs
I'm falling in love again
(Falling in love again)
I'm in love with you baby
I thought I knew this power
Lived through my finest hour
Experienced all

But I found I was wrong
When you came along
Sure as the wind is blowing
I know where this is going
Love's about to change to my mind
Re-define
And finally make some sense
Love's about to change to my mind
You're the reason why
I'm falling in love again
(Falling in love again)
I'm in love with you, baby
'Cause you're the reason
You're the reason why

Love's about to change to my mind
Re-define
And finally make some sense
Love's about to change to my mind
You're the reason why
I'm falling in love again
(Falling in love again)
I'm in love with you, baby
