

Slippery People

Talking Heads

What about the time?
You were rollin' over
Fall on your face
You must be having fun
Walk lightly
Think of a time
You'd best believe
This thing is real Put away that gun
This part is simple
Try to recognize
What is in you mind
God help us
Help us loose our minds
These slippery people
Help us understand What's the matter with him? He's alright
How do you know? The lord won't mind
Don't play no games, he's alright
Love from the bottom to the top
Turn like a wheel, he's alright
See for yourself, the Lord won't mind
We're gonna move right now
Turn like a wheel inside a wheel I remember when
Sittin' in the tub
Pulled out the plug
The water was runnin' out
Cool down
Stop actin' crazy
They're gonna leave
And we'll be on our own Seven times five
They were living creatures
Watch 'em come to life
Right before your eyes
Backslidin'
How do you do?
These slippery people
Gonna see you through What's the matter with him? He's alright
How do you know? The lord won't mind
Don't play no games, he's alright
Love from the bottom to the top

Turn like a wheel, he's alright
See for yourself, the Lord won't mind
We're gonna move right now
Turn like a wheel inside a wheel What's the matter with him? He's alright
How do you know? The lord won't mind
Don't play no games, he's alright
Love from the bottom to the top
Turn like a wheel, he's alright
See for yourself, the Lord won't mind
We're gonna move right now
Turn like a wheel inside a wheel What's the matter with him? He's alright
How do you know? The lord won't mind
Don't play no games, he's alright
Love from the bottom to the top
Turn like a wheel, he's alright
See for yourself, the Lord won't mind
We're gonna move right now
Turn like a wheel inside a wheel He's alright
Love from the bottom
Alright
Love from the bottom to the top
Alright
The love from the bottom
Right now
Turn like a wheel inside a wheel
