

# Shove It!! (Bar 9 Remix)

## Deftones

Hey you, big star  
Tell me when it's overHey you, big mood, guide me to shelter  
'Cause I'm through  
When the two hits the six and it's summerCloud, come (shove it, shove it, shove it)  
Shove (shove it, shove it, shove it)  
The sun (shove it, shove it, shove it)  
Aside (shove it aside)I think god is moving its tongue  
There's no crowd in the streets  
And no sun in my own summerThe shade is a tool, a device, a savior  
See, I try and look up to the sky  
But my eyes burnCloud, come (shove it, shove it, shove it)  
Shove (shove it, shove it, shove it)  
The sun (shove it, shove it, shove it)  
Aside (shove it aside)Cloud, come (shove it, shove it, shove it)  
Shove (shove it, shove it, shove it)  
The sun (shove it, shove it, shove it)  
Aside (shove it aside)I think god is moving its tongue  
There are no crowds in the streets and no sun in my own summerCome (shove it, shove it, shove it)  
Shove (shove it, shove it, shove it)  
The sun (shove it, shove it, shove it)  
Aside (shove it aside)
