Liar

Selfmindead

Shut up
Don't say another word
I know what you are
And I know what you doLying is the name of the gama in process
Lying is the name of the game you play
Lying is the name of the gama in process
Lying is the name of the gameYou fraud
I can see right trough you
Liar
I won't fall into your trap
The game is over
I win and you lose
The game is over
I win and you lose this time
Can't believe a word you say
Not a word you say is true
Can't believe a word you say- You Liar
Not a word you say is true- You FraudThe Game is over now
You liarI won't believe in your lies
