

# Liar

## Selfmindead

Shut up

Don't say another word

I know what you are

And I know what you doLying is the name of the gama in process

Lying is the name of the game you play

Lying is the name of the gama in process

Lying is the name of the gameYou fraud

I can see right trough you

Liar

I won't fall into your trap

The game is over

I win and you lose

The game is over

I win and you lose this time

Can't believe a word you say

Not a word you say is true

Can't believe a word you say- You Liar

Not a word you say is true- You FraudThe Game is over now

You liarI won't believe in your lies
