

How To Save A Life

Grey's Anatomy Cast

Step one, you say we need to talk
He walks, you say sit down, it's just a talk
 He smiles politely back at you
You stare politely right on through
 Some sort of window to your right
 As he goes left, and you stay right
Between the lines of fear and blame
You begin to wonder why you came

[Chorus]
Where did I go wrong?
 I lost a friend
 Somewhere along in the bitterness
And I would have stayed up with you all night
 Had I known how to save a life

Let him know that you know best
Cause after all, you do know best
 Try to slip past his defense
 Without granting innocence
 Lay down a list of what is wrong
The things you've told him all along
 And pray to God he hears you
 And I pray to God he hears you

[Chorus]
As he begins to raise his voice
You lower yours and grant him one last choice
 Drive until you lose the road
 Or break with the ones you've followed
 He will do one of two things
 He will admit to everything
 Or he'll say he's just not the same
And you'll begin to wonder why you came

[Chorus: x2]

How to save a life

How to save a life

[Chorus: x2]

How to save a life

How to save a life
