Smile

Rudy Micelli

Smile, though your heart is aching.
Smile, even though it's breaking.
When there are clouds in the sky you get by;
If you smile through your fear and sorrow,
Smile, there will be tomorrow.
You'll see the sun come shining through, for you.

And light up your face with gladness.
Hide every trace of sadness.
Although a tear may be ever so near;
That's the time you must keep on trying.
Smile, what's the use of crying?
You'll find that life is still worthwhile, if you just smile.

You'll see the sun come shining through, for you.

Light up your face with gladness.
Hide every trace of sadness.
Although a tear may be ever so near;
That's the time you must keep on trying.
Smile, what's the use of crying?
You'll find that life is still worthwhile, if you just smile...
