Music Sounds Better With You

Stardust

Oooooh baby
I feel right
The music sounds better with youLove might
Bring us both together
I feel so goodI feel right
The music sounds better with youLove might
Bring us both togetherOooooh babyI feel right
The music sounds better with youLove might
Bring us both together
I feel so goodI feel right
The music sounds better with youLove might
Bring us both together8x beatOooooh babyI feel right
The music sounds better with youLove might
Bring us both together
I feel so goodI feel right
The music sounds better with youLove might
Bring us both together8x beatOooooh! baby
I feel right
The music sounds better with youLove might
Bring us both together
I feel so goodI feel right
The music sounds better with youLove might
Bring us both togetherOooooh baby
I feel right
The music sounds better with youLove might
Bring us both togetherI feel so goodI feel right
The music sounds better with youLove might
Bring us both togetherOooooh baby
I feel right
The music sounds better with youLove might
Bring us both togetherI feel so good
I feel - *starts to fade*
