Smoke Detector

Rilo Kiley

My eyes burn
Everybody smokes
My eyes burn
Everybody smokes
I smoke too
But not as much as you
I do the smoke detector
There is a girl in a tank top
She is not wearin? a bra
She looks so hot on the dance floor
She does the smoke detector
She says danger
Do the smoke detector
She says danger
I?m a smoke detector

I took a man back to my room
I was smokin? him in bed
Yeah, I was smokin? in bed
This is what he said
I took a man back to my room
Yeah, I was smokin? in bed
Yeah, I was smokin? in bed
This is what he said
I said danger
Do the smoke detector
(x4)
I said danger
Do the smoke detector
Danger
Do the smoke detector
(x2)
