

Together

[DJ Bobo](#)

Together forever for all the time
Together we welcome the secret sign
Together in freedom we take the chance
Together forever we will be friendsWe are what we are - Together
And we went so far - Together
We are what we are - Together
We all long for a land to be freeThe promised land is close to you
The rain is gone, the sky is blue
Hand in hand we can survive
We're fighting for a better lifeIt's a new generation
Without hate and frustration
Promised land, promised nation
Without pain, without controlPlanet Earth is our place
Insanity is lost in space
A world of dreams is what we share
Where honesty is in the airTogether forever for all the time
Together we welcome the secret sign
Together in freedom we take the chance
Together forever we will be friends
