Beautiful Lady

Roger Troutman

Yeahhhh
Ohhhhh
Yeahhhhh
Ohhhhh No No No No
I just want you to know [x2]
Yeahhh
Sta na na na na na na na na
Na na na na na na na na na
Just the other day
Said I ran into this beautiful lady
She asked me my name
And I told her it's Gyptian
Immeadiately she said
Boy I gotta give you sumthin from her body
And I said Baby quickly
She said don't want you to tell nobody
Dhat I gave it to you so easy
I said With me baby ya don't need to worry
She said Ohh and Ahhh
She never felt so right
I said Yes my baby
Bring it on me tonite
Woman of my dreams
You have become reality
Part of my subconsciousness

And my immortality
I'm the happiest man in the world
Because I have you for my girl
And I promise you my baby
I'm gonna take you on tours around the world
Yeah baby
She said Ohh and Ahh
She never felt so right
I said Yes my baby
Bring it on me tonite
Just the other day
Said I ran into this beautiful lady
She asked me my name

And I told her it's Gyptian
Immeadiately she said
Boy I gotta give you sumthin from her body
And I said Baby quickly
She said don't want you to tell nobody
Dhat I gave it to you so easy
I said With me baby ya don't need to worry
She said Ohhh
Never felt so right
I said Yeahhh yeahh yeahh yeahh
Bring it on Gyptian tonite
Ohhhhh ohhhh ahh ohhhh
