

# Lifetime Ago

## Greg Laswell

Oh look at you  
everyone approves  
oh my God, your dream came true  
everyone loves youOh look at you  
you freeze so soon  
I might up and move to the sun  
and outlive youIt seems like a lifetime ago now  
since you had your heels on the groundIt seems like a lifetime ago now  
since you had your heels on the groundOh look at you  
everyone approves  
oh my God, your dream came true  
everyone loves you  
Oh look at you  
you freeze so soon  
I might up and move to the sun  
and outlive youIt seems like a lifetime ago now  
since you had your heels on the groundIt seems like a lifetime ago now  
since you had your heels on the groundIt seems like a lifetime ago now  
since you had your heels on the groundIt seems like a lifetime ago now  
since you had your heels on the groundWhat are you gonna do  
when gravity gets to youWhat are you gonna do  
when gravity gets to you  
What are you gonna do  
when gravity gets to youWhat are you gonna do  
when gravity gets to you
