

And My God Will Meet All Your Needs

Acappella

And my God will meet all your needs
According to his riches
His glorious riches Found in Jesus Christ

To our God and Father be glory forever
To our God and Father be glory forever
To our God and Father be glory forever

And my God will meet all your needs
And my God will meet all your needs
And my God will meet all your needs
And my God will meet all your needs

According to his riches that's found in Jesus Christ
He is meeting all our needs
And he has paid the price
No matter what we hope for or what we need in life
God will give us all we need
Through Jesus' sacrifice

Who's gonna meet your needs? Jesus, Jesus
Who's gonna meet your needs?
I know that God is gonna meet your needs
Who's gonna meet your needs?
Oh yes, he will be with you
Who's gonna meet your needs?

And my God will meet all your needs
And my God will meet all your needs
And my God will meet all your needs
And my God will meet all your needs

According to his riches that's found in Jesus Christ
He is meeting all our needs
And he has paid the price
No matter what we hope for or what we need in life
God will give us all we need
Through Jesus' sacrifice

Who's gonna meet your needs? (echo)

Who's gonna meet your needs?
Nobody can save you, only Jesus
Who's gonna meet your needs?
I know he will be with you
Who's gonna meet your needs?

To our God and Father be glory forever
To our God and Father be glory forever
And my God will meet all your needs
And my God will meet all your needs
