Lie to Me

Ne-Yo

Lie to me, lie to me

Lie to me, lie to me

Lie to me, lie to me

Lie to me, lieI just wanna be numb

I don't wanna feel a thing

I don't want reality

Actually, reality stinks How about we just pretend

That your cellphone didn't even ring?

And that I wasn't on the other side of the door

Listening to everything

Tell me another lieI don't wanna know what I know to be true

What I need you to do, tell me another lie

I don't wanna know what I know to be true

What I need you to do, tell me another liel don't wanna know what I know to be true

What I need you to do, tell me another lie

I don't wanna know what I know to be true

What I need you to do, tell me another lieLie to me, lie to me

Lie to me, lie to me

Lie to me, lie to me

Lie to me, liePlease make me believe

That there's nobody for you but me

When I ask who were you talking to

Tell me it was KimberlyTell me that last night you didn't leave

After you thought I was asleep

Crept back in at 6:45

Tell me it was just a dreamBaby I need desperately, desperately to believe you

'Cause I won't be held responsible for what I might do

Baby I need desperately, desperately to believe you

'Cause I won't be held responsible for what

What I might to do me another lieI don't wanna know what I know to be true

What I need you to do, tell me another lie

I don't wanna know what I know to be true

What I need you to do, tell me another lieI don't wanna know what I know to be true

What I need you to do, tell me another lie

I don't wanna know what I know to be true

What I need you to do, tell me another lieTell me another lie

Tell me another lie

Tell me another lie

Tell me another lieI don't wanna know what I know to be true

What I need you to do, tell me another lie
I don't wanna know what I know to be true
What I need you to do, tell me another lieI don't wanna know what I know to be true
What I need you to do, tell me another lie
I don't wanna know what I know to be true
What I need you to do, tell me another lie
