

What You Never Know

[Sarah Brightman](#)

What you never know won't hurt you
What you never know won't lie
What you never know won't desert you
What you never know won't say goodbyeWhat you never know won't hurt you
What you never know won't lie
What you never know won't desert you
What you never know won't make you cryWhat you never know
What you never, never, never, know
What you never knowWhat you never know won't hurt you
What you never know won't lie
What you never know won't desert you
What you never know unless you tryWhat you never know won't hurt you
