

Wild At Heart

Gloriana

down a back road long hot summer
a couple kids running loose and wild
he kissed her she said mister
take an inch and i'll give you a mile

i aint here to do anything halfway
dont give a damn what anyone might say
i just wanna free fall for a while

that rebel moon is shining
those stars burn like diamonds
hell bent on chasin down that crazy spark
i'll follow you where your leading
to the first sweet tast of freedom
you got me running baby wild at heart

about midnight he tells her
i aint got no come on lines
well i love you or i try to
we got nothing to loose but time

stick your hand in my back pocket
light me up like a bottle rocket
i just wanna free fall for a while

that rebel moon is shining
those stars burn like diamonds
hell bent on chasin down that crazy spark
i'll follow you were your leading
to the first sweet taste of freedom
you got me runnin baby
wild at heart

oh oh alright
the night is telling us we're way to young
oh oh thats alright
i've got forever on the tip of my tongue

that rebel moon is shining
those stars burn like diamonds

hell bent on chasin down that crazy spark
i'll follow you where your leading
to the first sweet taste of freedom
you got me runnin baby
wild at heart

that rebel moon is shining
those stars burn like diamonds
hell bent on chasin down that crazy spark
i'll follow you were your leading
to the first sweet taste of freedom
you got me runnin baby
you got me runnin baby
wild at heart

oh oh alright
