[Karl Wolf](#)

VERSE 1
Take a good look around me
I wanted you to stay
Pain,Im right at the bottom
Can't recognize my face
Fate,I thought we would last
You closed the book and turned the pages
Stay,I don't know why it's gotta be this way
Do you know that I'm hurting?!PRE-CHORUS
All I ever really needed was some space
I needed some room to breath
Break from this Bad energy
I made a mistake and I know I messed up
Girl I know you got my text msg,so just call!CHORUS
Cause I'm Hurting!I'm Hurting!I'm Hurting!
So girl just come to back me
Cause I'm Hurting!I'm Hurting!I'm Hurting!
So girl just come to back meYou might think I'm over you
No girl!you're the baddest
