THIRD OF JUNE

By Corey Hart

My sweet love is taking time
For the truth to set me free
I've been running for so long
Is there a wisdom I can't see?
Still I hear the whispers of
Candle crying in the wind
Still I'm haunted by the
Saounds of a battle I cannont win
Then I see the virgin beauty of your eyes
Calling me
I'm so humbled by
This sacred air we breathe
Oh, dance with me
Under a bright moon
Third of June
Everything I thought I knew
Was a place I've never been
As my kingdom crumbles down
Inside I feel my life begin
Let me paint the colours
Let me stand before you with open heart
Let me hold you darling closer than these words
Oh, dance with me
Under a bright moon
Third of June
Then I see the virgin beauty of your eye
Calling me
I'm so haunted by
this sacred air we breathe
Oh, dance with me
Under a bright moon
Third of June
