

Getting Nowhere (feat. Alex Claire) [Live]

Magnetic Man

I keep using my energy
Pushing and shoving my way to please
Almost there, almost there
Feels like we've been getting nowhereAlmost there, almost there
Feel like we've been getting nowhere
Almost there, almost there, wellElectronic world, supersonic girl
We keep holding onto nothing
We keep typing, we're not talkingIllusion of speech, world won't get by me
I feel like I'm onto something
But we keep moving, we're not there yetI keep using my energy
Pushing and shoving my way to please
Almost there, almost there
Feel like we've been getting nowhereAlmost there, almost there
Feel like we've been getting nowhere
No, no, no, no, oh LordEnigmatic stream, consciousness unleashed
Drew me into soul magnetic
Turn me on, I can't forget itRunning out of time, visions on my mind
But I'm still holding onto nothing
Lord, I hope 'cause you'll be stood thereI keep using my energy
Pushing and shoving my way to please
Almost there, almost there
Feel like we've been getting nowhereAlmost there, almost there
Feel like we've been getting nowhere
Mmm, Lord, yeahI think I'm gonna get there, gonna get there
Gonna get there, there
Don't know when, don't know how
Pushing but that will hold me down, down, down, downAlmost there, almost there
Feel like we've been getting nowhereI keep using my energy
Pushing and shoving my way to please
Almost there, almost there
Feel like we've been getting nowhereAlmost there, almost there
Feel like we've been getting nowhere
Almost there, almost there
Feel like we've been getting nowhere
