

# I've Been Waiting for You

[Neil Young](#)

I've been looking for a woman to save my life  
Not to beg or to borrow  
A woman with the feeling of losing once  
or twice  
Who knows how could it be tomorrow?

I've been waiting for you  
And you've been coming to me  
For such a long time now  
Such a long time now.

I've been waiting for you  
And you've been coming to me  
For such a long time now  
Such a long time now.
