

# Deliver Me

## The Everly Brothers

Hear my plea  
Won't you take pity?  
I just can't seem to know a soul in this city  
Take my hand never to free me  
Got to find a girl who's willing to see me  
Yeah

Ah, deliver  
Ah, deliver  
Ah, deliver me?

Misery  
Don't you deceive me?  
I know I never should have let you bereave me  
Misery, you're out to take me  
Got to find a girl who knows how to treat me

Can't you see?  
I need you to help me  
Don't know how to play the hand that was dealt me  
Misery, you're out to take me  
Got to find a girl who knows how to treat me

Ah, deliver  
Ah, deliver  
Ah, deliver me

Hear my plea  
Won't you take pity?  
I just can't seem to know a soul in this city  
Take my hand never to free me  
Got to find a girl who's willing to see me  
Yeah
