Oh, Me

Nirvana

If I had to lose a mile If I had to touch feelings I would lose my soul The way I doI don't have to think I only have to do it The results are always perfect And that's old newsWould you like to hear my voice Sprinkled with emotion Invented at your birth?I can't see the end of me My whole expanse I cannot see I formulate infinity Stored deep inside meIf I had to lose a mile If I had to touch feelings I would lose my soul The way I doI don't have to think I only have to do it The results are always perfect And that's old newsWould you like to hear my voice Sprinkled with emotion Invented at your birth?I can't see the end of me My whole expanse I cannot see I formulate infinity Stored deep inside meI formulate infinity Stored deep inside me
