Love/Hate Sensation

Kenna

Give me a ride on a zephyr
And rocket away from here
Give me all your affection
And teach me how to feelI got a love hate sensation
Coursing through my veins
I got a love hate sensation
Driving me insaneCryin'
There's a better way to roll
A better way to go
A better way to feel
Can you feel meA better way to roll
A better way to go
A better way to feel
Can you feel meGive me a ride on that zephyr
'Cuz you're going off from here
I need all your affection
Please teach me how to feelI've got a love hate sensation
Coursing through my veins
I've got a love hate sensation
Driving me insaneCryin'
There's a better to roll
A better way to go
A better way to feel
Can you feel meA better way to roll
A better way to go
A better way to feel
Can you feel meOh
Yeah
OhAnything is everything you need
Some think so
You can't tell which way you wanna roll
I just wanna goM E D I C I N E
It's how you live and breath
Maybe I'm not the help that you seek
But I knowThere's a better to roll
A better way to go
A better way to feel
Can you feel meA better way to roll
A better way to go

A better way to feel
Can you feel meA better way
A better way
A better way, yeah
A better way
A better way
A better way
