

# Me, Myself & I

L7

Me, myself and I  
Will never be lonely as long as  
I stick together like glue  
Without you I lie here on the couch  
Thinking about potatoes and me  
And I realize  
Destined to be French fries Me, myself , me, myself  
M-m-me, myself and I Me, myself , me, myself  
M-m-me, myself and I My ship's been tossed about  
Have some decency  
The only friends I've got left  
Are my idiosyncrasies Me, myself , me, myself  
Me, myself  
M-m-me, myself and I
