

King Of The Beach

Yes Bear

Let the sun burn my eyes
Let it burn my back
Let it sear through my thighs
I'll feel wide wide openLet the sun burn my eyes
Let it burn my back
At the beach
In my dreams
But you stillYou're never gonna stop me
You're never gonna stop me
You're never gonna stop me
You're never gonna stop meKing of the beach
King of the beachLet the sun burn my eyes
Let it burn my back
Let it burn through my thighs
I'll feel wide wide openAt the beach I'm with Jeans
??? wide wide open
At the beach
In my dreams
But you stillYou're never gonna stop me
You're never gonna stop me
You're never gonna stop me
You're never gonna stop meKing of the beachNever gonna stop me
You're never gonna stop me
You're never gonna stop me
You're never gonna stop meKing of the beach
King of the beach
