I Don't Owe You Anything

The Smiths

Bought on stolen wine

A nod was the first step

You knew very well

What was coming nextBought on stolen wine

A nod was the first step

You knew very well

What was coming nextDid I really walk all this way

Just to hear you say

Oh, I don't want to go out tonight

Oh, I don't want to go out tonightOh, but you will, for you must

I don't owe you anything, no

But you owe me something

Repay me nowYou should never go to them

Let them come to you

Just like I do

Just like I doYou should not go to them

Let them come to you

Just like I do

Just like I doDid I really walk all this way

Just to hear you say

Oh, I don't want to go out tonight

Oh, I don't want to go out tonightBut you will, for you must

I don't owe you anything, no

But you owe me something

Repay me nowToo freely on your lips

Words prematurely sad

Oh, but I know what will make you smile tonightLife is never kind

Life is never kind

Oh, but I know what will make you smile tonight
