

Rise

Samantha James

You should believe me
And everything I choose to do
You should believe that I'll
Always come back to you

Life is discovering
The love that we create
Life is a mystery
We need to embrace

In every way
You need to let go
You'll see all your dreams will follow
In every way
You need to let go

[Chorus x 2]
People rise together
When they believe in tomorrow
Change the day to forever
This life keeps movin'

Open your mind and see
We have everything we need
Dream or reality
Fulfill its destiny

In every way
You need to let go
You'll see all your dreams will follow
In every way
You need to let go

[Chorus]

You need to let go
You need to let go

People rise
When they believe

Change the day
This life keeps movin'

[Chorus]

Yeah, yeah
Yeah, yeah, yeah
