

# Indeedido

David Lee Roth

Mercedes Benz  
Combat boots  
Junk food, brand new alligator shoes Here comes, baby jet  
In her brand new red-hot pink Humvee  
Full of party girls with damaged lives  
And tangled destinies Well, this must be my favorite chorus  
I find your manners more important  
Than your morals All this and more you see  
You mean so much to me  
Do I love you?  
Indeedido Cops and robbers, tough guy pimps  
And bad girl boxers  
White trash, lesbo, psycho bikes  
Lipstick tricks and diesel dykes Check it out, check it out  
Without a doubt, without a doubt  
I look into your eyes and dream  
Of all of these, my favorite things Well, this must be my favorite chorus  
I find your manners more important  
Than your morals All this and more you see  
You mean so much to me  
Do I love you? Oh, honey  
Indeedido Well, this must be my favorite chorus  
I find your manners more important  
Than anything else 'Coz, honey, you're morals bore us  
But do I love you? yeah, yeah  
Indeedido, indeedido [Incomprehensible]
