

Shinin' On

Grand Funk Railroad

We are winners and losers, bed fellow choosers,
Put here to pass by the times
We are space-age sailors, all had our failures,
Now everybody gonna shine Keep it shinin' on
Keep it shinin' on See the fire within them burnin',
Touch the fire make me feel so fine
Keep the fire within you livin'
Everybody gonna' shine, shine, shine Keep it shinin' on
Keep it shinin', shinin' on
Keep it shinin' on Shinin' on
Shinin' on What?
Well, alright Keep it shinin' on
Keep it shinin', shinin' on
Keep it shinin' on Keep it shinin' on, shinin' on, shinin' on Keep it shinin', keep it shinin', keep it shinin' on
Keep it shinin', keep it shinin', keep it shinin' on
Keep it shinin', keep it shinin', keep it shinin' on
Keep it shinin', keep it shinin', keep it shinin' on
Keep it shinin', keep it shinin', keep it shinin' on
Keep it shinin', keep it shinin', keep it shinin' on
Keep it shinin', keep it shinin', keep it shinin' on
