Stood Me Up

DWNTWN

Cause you never really had the time
Before you were mine
Set my silly little heart on fire
Became my desireYou stood me up, up, up, up on my feet
You stood me up, up, up, up on my feet
Up, up, up, on my feet
You stood me up, up, up, up on my feetIt's been too many lonely nights
Despair held me down
You love it when you're not around
I think it turned out all rightYou stood me up, up, up, up on my feet
You stood me up, up, up, up on my feet
Up, up, up, on my feet
You stood me up, up, up, up on my feet
You were right, letting me go
You were so tired, I was ready to grow
Needed to fall, to stand on my own
Stand on my own, stand on my own
Stand on my own, stand on my ownYou understand now, I know
That I'm better off aloneNow I'm better off
Now I'm better off
Now I'm better off
Now I'm better offYou stood me up
Ohhhhhhhhh
You stood me up
Ohhhhhhhhh
You stood me up, up, up, up on my feet
You stood me up, up, up, up on my feet
Up, up, up, on my feet
You stood me up, up, up, up on my feet
