

# Rule

## Hillsong UNITED

Be the crown in the light and sound  
Be the fire burning inside out  
Be the love casting out of fear  
Let your name move the atmosphere Love like the skies are wide  
Crashing down to bring the world to life  
Hope came dancing on an empty grave  
Death has lost its rule to the King of grace Be the crown in the light and sound  
Be the fire burning inside out  
Be the love casting out of fear  
Let your name move the atmosphere Oh oh oh And we owe it all to Jesus  
Sin and all the shame deleted  
Death and all these chains defeated  
And the light we see is Jesus  
And the air we breathe is freedom  
And the sound it knows no fear  
Your love rules the atmosphere Oh oh oh Be the crown in the light and sound  
Be the fire burning inside out  
Be the love casting out of fear  
Let your name move the atmosphere
