

Sugartime

Johnny Cash

Well now sugar in the morning sugar in the evening sugar at suppertime

Be my little sugar and love me all the time

Honey in the morning honey in the evening honey at suppertime

Be my little honey and love me all the time Put your arms around me swear by stars above

You'll be mine forever in the heaven of love

Sugar in the morning sugar in the evening sugar at suppertime

Be my little sugar and love me all the time Now sugar time is anytime that you're near oh you're so dear

Now don't you roam just be my honeycomb and live in a heaven of love Well sugar in the morning
