Someone To Save You

Onerepublic

Patience
Took you for everything
Looked like a diamond ring
You are so much longer
That made sense
Apathy in disguise
Crept on you like a spy
Hurt you in ways
You can't describe

Back to the start now
I wont let you go this way now

Honesty
Is what you need
It sets you free
Like someone to save you
Let it go
But hurry now
Theres undertow
And I don't want to lose you now

All right
Sit down and spill your heart

Lets start from the very start
Cause I can see by your eyes
You're wasted
Your energy comes and goes
You taking your time, you know
Nothing can change what happened, and so

Back to the start now
I wont let you go this way now

Honesty
Is what you need
It sets you free
Like someone to save you
Let it go

But hurry now
Theres undertow
And I don't want to lose you now

Now
Now
Oh my
Look at your bright stars fade so
How much can you take?

Honesty
Is what you need
It sets you free
Like someone to save you
Let it go
But hurry now
Theres undertow
And I don't want to lose you now

Na Na Na Na Na Na Na
Na Na Na Na Na Na Na
Na Na Na Na Na Na Na
Na Na Na Na Na Na Na

I said to save you
Save you
Save you
Someone to save you
What you need is
Someone to save you
