

# Someone To Save You

## Onerepublic

Patience

Took you for everything  
Looked like a diamond ring  
You are so much longer  
That made sense  
Apathy in disguise  
Crept on you like a spy  
Hurt you in ways  
You can't describe

Back to the start now  
I won't let you go this way now

Honesty

Is what you need  
It sets you free  
Like someone to save you  
Let it go  
But hurry now  
There's undertow  
And I don't want to lose you now

All right

Sit down and spill your heart

Lets start from the very start  
Cause I can see by your eyes  
You're wasted  
Your energy comes and goes  
You taking your time, you know  
Nothing can change what happened, and so

Back to the start now  
I won't let you go this way now

Honesty

Is what you need  
It sets you free  
Like someone to save you  
Let it go

But hurry now  
Theres undertow  
And I don't want to lose you now

Now  
Now  
Oh my  
Look at your bright stars fade so  
How much can you take?

Honesty  
Is what you need  
It sets you free  
Like someone to save you  
Let it go  
But hurry now  
Theres undertow  
And I don't want to lose you now

Na Na Na Na Na Na Na  
Na Na Na Na Na Na Na  
Na Na Na Na Na Na Na  
Na Na Na Na Na Na Na

I said to save you  
Save you  
Save you  
Someone to save you  
What you need is  
Someone to save you
