Exterminate

Peter Combe

i can hear you scream at the top of your lungs
so shit like this when you pull the plug
biting, beating, begging you please
but at the drop of a dime
i'll fucking kick you in your fucking teeth
my motivation
its your own lucky day
i take blows for cry of victory
get in or get out
no ones hear
im listening
im looking for the smoke to clear
do you get it
show your scars to me
i can hear you scream by the top of your lungs
exterminate
take em down slow
prolong perfections to induce pain
you better find a way to get through
no ones hear
im listening
im looking for the smoke to clear
do you get it
show your scars to me
i can hear you scream from the top of your lungs
exterminate
the smoke is clear
exterminate
shout it
starts to me
i can hear you scream
lungs
exterminate
