You know what I smoke and u cant see me.
No matter where u go, 1 place we'll never be.
Is close even if you moved right next to me bro!A gee is what I am, a JET is who I be.
You know what I smoke and u cant see me.
No matter where u go, 1 place we'll never be.
Is close even if you moved right next to me bro!On a mission and I'm fishing for my nigga Ski Beats
Quote live nigga rap broke a jive nigga back
Spineless spliff cruising with Optimus Primus and in the prime is
I'm inclined to sound better than other rhymers
Don't bring them fools around him he'll make em look clownish
Countach Lambo shoot like ammo thru traffic with green trees I blend in like camo
Flauge, gosh oh my where was I?
When things got hot
Somewhere cool laughin' at you
Fuck rolling 1 roll 2 roll 3 loop the beat and light an incense in the booth yeahAnd you cant see me
No matter where u go, 1 place you'll never be
Is close even if you moved right next to me bro!
A gee is what I am, a JET is who I be
You know what I smoke, and u cant see me
No matter where u go, 1 place you'll never b
Is close even if u moved right next to me broAnd you cant do a thing about it
And that ain't gone change I'm sorry
Them bitches know the planes got it
And you cant do a thing bout it
Them bitches know the planes got it
