

# Hand In Hand

## Elmore James

Well, I lost my baby  
She just wouldn't treat me right  
Well, I lost my baby  
She just wouldn't treat me rightShe has spent all my money  
And she didn't come home 'til night  
I love my baby, I can't get her to understand  
I love my baby, I can't get her to understand  
She leaves me early in the mornin'  
She goes out with some other manEvery time I see my, baby  
Walkin' down the street with some other man  
Every time I see my, baby  
Walkin' down the street with some other man  
It used to be your cousin  
But now you're runnin' hand in hand
