

# Back To The Life

## Spoon

Son, you must go back to the life  
Go pack your bags  
Take up your scythe  
'Cause this world wasn't meant for us both  
Who made the night  
Who made the day  
Who gave you life  
Who gave you say

I said this world wasn't meant for us both  
Who rules the day  
Who rules the night  
Go pack your bags  
Take up your scythe  
I said this world wasn't meant for us both
