Alice In Psycholand

Nekromantix

Living in a dream of a dirty mind playing with a friend
called suicide laughing to herself to the end of the line.
It really dosen't matter if it's wrong or right.
walking around somebody is in psycholand(x2)Walking alone to the edge of hell.
Awaiting with a bag in a rubber sell
Shadows on the walls in the back of the room
Awaiting Mr. death coming far to soon
Walking somebody is in psycholand(x2)Alice waiting way to long
Alice wanna be in your song
Alice gonna take us along with you to psycholand
Walking around somebody is in psycholand (x2)ALICE
psycholand(x3)ALICE in psycholand
Walking around somebody is in psycholand(x3)
