Piece by Piece

Evil Incarnate

I found these plastic parts and wires
Let's split me open at the seams
And rip out everything inside
Make room for all these new machines
Sew me up and pray that I survive
A brand new me
Piece by piece
Stay here and watch me bleed
Watch me bleed
It's a brand new me
Piece by piece
I'll leave a black tear in the sky
To help you remember what you've seen
And then I'll set this place on fire
Just break and burn down everything
I'm made of plastic parts and wires now
I won't feel anything
Start the countdown
Just make me fall asleep
Stay here and watch me bleed
Watch me bleed
It's a brand new me
Piece by piece, piece by piece
My flesh, my bones, my blood
They hold my hate, my love
They hold my hate, my pain
Just take a breath and walk away
Stay here and watch me bleed
Watch me bleed
It's a brand new me
Piece by, piece by, piece by, piece by piece
