Slow Motion

Juvenile

Slow motion for me, slow motion for me, move in slow motion for me
Slow motion for me, slow motion for me, move in slow motion for meUhh, I like it like that, she working that back
I don't know how to act slow motion for me
Slow motion for me, slow motion for me, move in slow motion for meUhh, I like it like that, she working that back
I don't know how to act slow motion for me
Slow motion for me, slow motion for me, move in slow motion for meI'm a dick thrower, her neck and her back hurting
Cut throat will have her like a brand new virgin
It's like when she gets used of it, then you start serving
Hop on top and start jiggy-jiggy jerking
Slow down for me, you moving too fast
My fingers keep slipping, I'm trying to grip that assKeep being hard headed and I'ma make you get on me
Got a human up disguise but my face is a doggy
If you loving my ball, let me bury my bone
I will [Incomprehensible], marry bitches at home
One of my bitches fell in love with that outside dick
That outside dick keep them hoes sick, likeUhh, I like it like that, she working that back
I don't know how to act slow motion for me
Slow motion for me, slow motion for me, move in slow motion for meUhh, I like it like that, she working that back
I don't know how to act slow motion for me
Slow motion for me, slow motion for me, move in slow motion for meIt's like I got the world in my palm, your girl up under my arm
She fucked up from the charm
She love the way the dick still hard from 12 till early in the morn
Fine bitches if you listening you heared me I'm strong
If you going through your cycle I ain't with it I'm gone
You must've heared about them hoes that I beat up in my home
They wasn't telling the truth baby you know they was wrong
Now, make it official and drink some of that DomI don't mind buying blue, you riding too
Don't be asking a nigga question 'bout where I'm driving you
Lil mamma my shit together I ain't jiving you
I don't think that nigga could do you better than I could do, you know
The Juvenile from cross the street by the derby
Same nigga used to be runnin' with rusty and Kirby
Can a playa from tha nolia get a chance with it
But I can't bounce with you without using my hands with itUhh, I like it like that, she working that back

I don't know how to act slow motion for me
Slow motion for me, slow motion for me, move in slow motion for meUhh, I like it like that, she working that back
I don't know how to act slow motion for me
Slow motion for me, slow motion for me, move in slow motion for meSlow motion, she open, I'm hopin' she don't leave my dick broken
With brush burns and swollen
I'm toting she don't wanna make me out and believe her
I guarantee I'ma see ya when I see ya
And just don't holla out my name like we was all in
Yo pussy throwback, and you know that
So stop stunt'n, slow motion for a real nigga
I'm gone off that incredible potion and I'ma deal with youI like how them Victoria secrets sit in that ass
Lemme pour some more hype and hennesy in ya glass
Would I be violating, if I grabbed me handful
I'm knowing whats happening, all I want is a sample
Who you wit? I'm in a rental today
It's going down and happening and I remember the way
Less money we spend on bullshit, the more for the weed
What's it gonna take for you to come in slow motion with me likeUhh, I like it like that, she working that back
I don't know how to act slow motion for me
Slow motion for me, slow motion for me, move in slow motion for meUhh, I like it like that, she working that back
I don't know how to act slow motion for me
Slow motion for me, slow motion for me, move in slow motion for meUhh, I like it like that, she working that back
I don't know how to act slow motion for me
Slow motion for me, slow motion for me, move in slow motion for meUhh, I like it like that, she working that back
I don't know how to act slow motion for me
Slow motion for me, slow motion for me, move in slow motion for me
