One Good Reason

Rex Goudie

Goin' through the motions
Stuck inside a silent world
Tryin' to bridge a distance
Between where we are and where we were
I can see were fading
But we can't go back
And we can't go on
You're still the one that I want
So give me one good reason
I will walk away
Make my heart stop beating
And I'll forget you
Convince me that it's over
And I will tell you goodbye
So give me one good reason
And I'll be out of your life
You say we're having problems
Well, everybody does sometimes
You say I never listen and I'm always gone
But you're always on my mind
You can list a million things
And how they all went wrong
You're still the only one that I want
So give me one good reason
I will walk away
Make my heart stop beating
And I'll forget you
Convince me that it's over
And I will tell you goodbye
So give me one good reason
And I'll be out of your life
Tell me that I'm not the one you love
Tell me I was never good enough
I'll give up this fight
I can feel it when I look at you
Baby, I know you feel it too
I see it in your eyes
Just one good reason, stop believing
Give me one good reason

I will walk away
Make my heart stop beating
And I'll forget you
Convince me that it's over
And I will tell you goodbye
So give me one good reason
And I'll be out of your life
Give me one good reason
I will walk away
Make my heart stop beating
And I'll forget you
Convince me that it's over
And I will tell you goodbye
So give me one good reason
And I'll be out of your life
I'll be out of your life
