Narcolepsy

Ben Folds

I should warn you, I go to sleep
I know you don't know what I meanYet, I get upset or happy, I go to sleep
You won't know when, I go to sleep'Cause I'm not tired, I'm not tired
I'm not tired, I'm not tiredI know it seems that I don't care
But something in me does, I swearI don't remember all last year
I left you awake to cry the tearsWhile I was dreaming
Oh I'm drowning, save me, wake me upI should warn you, I go to sleep
Nothing hurts when, I go to sleep'Cause I'm not tired, I'm not tired
I'm not tired, I'm not tiredI'm not tired, I'm not tired
I'm not tired, I'm not tired, I just sleep
