

# Stardust

## The Skyliners

And now the purple dusk of twilight time  
Steals across the meadows of my heart  
High up in the sky the little stars climb  
Always reminding me that we're apart  
You wander down the lane and far away  
Leaving me a song that will not die  
Love is now the stardust of yesterday

The music of the years gone by. Sometimes I wonder, how I spend

The lonely nights

Dreaming of a song

The melody

Haunts my reverie

And I am once again with you

When our love was new

And each kiss an inspiration

But that was long ago

And now my consolation is in the stardust of a song Besides the garden wall, when stars are bright

You are in my arms

The nightingale

Tells his fairytale

Of paradise, where roses grew

Though I dream in vain

In my heart it will remain

My stardust melody

The memory of love's refrain.
