Poison Ivy (Remix)

Young & Restless

Poison Ivy...Poison Ivy
Poison Ivy...Poison Ivy

well I know a girl named Judy
now Judy got that booty
well she like to shake it real hard
check this out....
you best not let the girl...

P-P-P-Poison Ivy...Poison Ivy

now tonight I will be creepin'
and the freeks will be freakin'
all night yeah all night

Now Judy is a teaser
and a tasty little pleaser
So when you take her on a date
check it out
she got the breath that all the fellas hate

now here's a little advice
and I hope it makes ya think twice
when you goin' to a disco
ya best to take a girl that you really know

Poison Ivy...Poison Ivy
Poison Ivy...Poison Ivy

Poison Ivy...Poison Ivy
Poison Ivy...Poison Ivy
