

Madness (feat. Jacqueline Bissell)

Andy Bandlord Bissell

MADNESS

Oh no, no, no, what have you done,
You gave the order that cannot be undone,
Blew a hole in the moon that blocked out the sun,
Heavenâ€™s dismissed us, Hell cannot come!

Oh no, no, no, what have you done,
Youâ€™ve lost all control, you truly have none,
Blackness upon us the length of each day,
Canâ€™t see the stars, nothing to light the way!

Youâ€™ve turned off your humanity,
To gratify your animosity,
Predetermined our destiny
Mass extinctionâ€™s now a certainty.

Meddle with power and arrogance
A most unfortunate circumstance,
Disastrous outcome is more than chance,
To see life destroyed in a single glance.

No chance to ever get it back,
Eternal darkness forever black,
Sent Mother Earth a fatal attack
Slaughter existence, the ultimate Wack!

Oh no, no, no, look what youâ€™ve done,
Millions of species reduced to none,
Like we never existed, the future is gone,
Now itâ€™s too late to admit you were wrong!

Youâ€™ve turned off your humanity,
To gratify your animosity,
Predetermined our destiny,
Mass extinctionâ€™s now a certainty.
Destroyed our world with your atrocity,
I trust youâ€™ll forgive my acrimony.
