

# The Heart Has Its Reasons

[Azure Ray](#)

While you were searching, for your Gods  
I was walking through the dark  
trying to find a way...  
to make you stay  
with me And I am no match for your Gods  
They have something I have not  
The promessa of perfect love  
That I can't be  
I loved you more  
I know that now  
You can't change Nature's wishes Un ah uh  
un ah uh Then she wishes till the  
ooooh  
ooooh While you were searching for your Gods  
I turned my back on us  
Trying to leave you be  
So you could find your way  
Back to me uh ah uh  
uh ah uh
