Pretty As You Feel

Jefferson Airplane

You're only pretty as you feel
Only pretty as you feel inside
You're only pretty as you feel
Just as pretty as you feel inside
When you wake up in the morning
Rub some sleep from your eye
Look inside your mirror
Comb your hair
Don't give no vanity a second thought
No, no, no
Beauty's only skin deep
It goes just so far 'cause
You're only pretty as you feel
As pretty as you feel inside
You're only pretty as you feel
So girl, don't hang yourself up
On no plastic face
A little bit of soap will wipe away
Any grease 'cause
You're only pretty as you feel
Say, you're only pretty as you feel
You're only pretty as you feel
Pretty as you feel inside
You're only pretty as you feel
Feelin' pretty, feelin' pretty
You're only pretty as you feel
Feelin' so pretty, feelin' so pretty
Feelin' so pretty, feelin' so pretty
Pretty, pretty, pretty, pretty, pretty mama
